

Dear Member,

This is further to our circular number IOPEPC/252/2022-23 dated 25th January 2023. We would like to inform you that the date of our Virtual Buyer Seller Meet (VBSM) with Thailand which was scheduled to be held on 20th February 2023 is deferred and will now be held on 23rd March 2023.

The change in date is because it was clashing with the date of Gulfood 2023 being held at Dubai during 20th - 24th February 2023. Since many of our members are either participating or visiting Dubai during this period and have requested us to revise the date of the VBSM so that they can participate/attend the same. Considering this the Council in consultation with Indian Embassy in Thailand has decided to reschedule the date of VBSM with Thailand to 23rd March 2023 at 11.00 AM IST.

The Council would continue to have booths during the VBSM to help our member exporters to promote their business. Based on the request from the members the Council, has also decided to reduce the cost of the booth from Rs 25000 to Rs15000 (inclusive of GST) so that maximum member exporters can avail of this opportunity.

We are glad to inform that our Embassy has sent out invitations to a large number of potential buyers and we are expecting very good response from international buyers. Therefore, we request all members to avail of this excellent opportunity for interacting with potential buyers from Thailand and book the booth on or before **03rd March 2023**.
