

Dear Members,

The Council has been informed by Indian Embassy in China that GACC will be carrying out a regular retrospective review of Traditional Chinese Medicine (TCM) products exporting countries and start registration of enterprises that produce, process and store TCM products exported to China.

Manufacturers of TCM products interested to register their enterprise in GACC for export of TCM product (SESAMI SEMEN NIGRUM) to China may kindly submit the Recommendation Form for Registration of Overseas Enterprises Exporting TCM Products ([Click here](#) to download) to the Council on following email id sakshi@iopepc.org . The Chinese side shall register them in accordance with relevant regulations.

Please note that GACC has informed that **unregistered overseas manufacturers of TCM products shall not be able to export their products to China after 1st March 2023.**

Regards,

Ramesh Kolath
