

Dear Member,

As we all are aware that Russia is one of the key markets not only for sesame seed but other agricultural commodities including groundnuts, spices, rice, etc.

In order to deepen India's market access for agricultural goods and for the benefit of our member exporters, the Council, along with support of Indian Embassy in Moscow, is organizing a **Virtual Buyer-Seller Meet (B2B) cum exhibition** on **Tuesday, 22nd February, 2022 at 2.00 PM (IST)**. The event will have Virtual Conference Room and Exhibition booths for Indian exporters to showcase their products.

We are expecting very good response from buyers from CIS countries since our Embassy will be sending out invitations to a large number of potential buyers. We urge all our members to avail this excellent opportunity for interacting with potential buyers.

Details for registration for the B2B meet and booking of booths will be sent shortly. Meanwhile you are requested to kindly block the date in your calendar.

Regards,

Suresh Ramrakhiani
