

Dear Member,

The COVID Pandemic has taken a heavy toll on the global economy and India is no exception. During COVID situation, when physical fairs are not possible, to provide greater market access and increase visibility of Indian Oilseeds, Oils and Spices, IOPEPC is organising VIRTUAL BUYER-SELLER MEET (BSM) on 22nd February, 2022 with CIS countries on digital platform with support of Ministry of Commerce & Industry, Govt. of India and Embassy of India, Moscow. This would give opportunity for the buyers to know that India is supplier of quality oilseeds, oils and spices in world markets.

We are happy to inform you that in order to help our member exporters to promote their business, Council has decided to provide table space during the BSM where they can virtually meet international buyers on one to one basis.

We are expecting very good response from international buyers since our Embassies have sent out invitations to a large number of potential buyers. We urge all our members to avail this excellent opportunity for interacting with potential buyers and book table space on or before 18th February, 2022. The charges per table would be Rs 10,000.
