

Dear Members,

The Council has been exploring the possibility of introduction of Sesame seed crop during the Summer season amongst the farmers of India. The matter was discussed with ICAR-Indian Institute of Oilseeds Research along with ways of increasing production, productivity, and yield of Sesame seed with an objective to enhance exports from the country.

It has been decided to organise a Farmer Mela with ICAR-Indian Institute of Oilseeds Research on 12th March 2022 at Kendpukur, Habibpur, Malda, West Bengal.

Members are requested to kindly make it convenient to attend the Farmer Mela. Entry is free but registration is mandatory. For registration please send an email on [info@iopepc.org](mailto:info@iopepc.org) and contact Ms Sakshita on 022 22023225 / 22029295 for further information.

With Best Wishes and Regards

Suresh Ramrakhiani

(Chief Executive Officer)
