

Dear Members

This is with reference to the ongoing negotiation being held with Korea RP to amend the India-Korea CEPA (Comprehensive Economic Partnership Agreement). So far eight rounds of negotiations and several rounds of inter-sessional meetings have been held. Both the sides have shared their preliminary request lists of tariff lines for further concessions.

Ministry of Commerce is in the process of finalizing the Request List of India for seeking tariff concession with Korea. A list of tariff lines has been culled out from the existing IKCEPA Schedule Korean National HS i.e. HS 10 digit that are not enjoying tariff concession at '0' rate (**Copy enclosed**) along with trade data.

Members are therefore requested to go through to the list and provide the list of tariff lines in which India may seek relaxation under CEPA with Korea to the Council on email id sakshi@iopepc.org positively by 15th Sept, 2022.
