

Dear Members,

We would like to inform you that previously Food Safety Authority of India (FSSAI) licenses and registration were granted for 1-5 years based on the selection and payment made by the Food Business Operators (FBOs) in the application, as prescribed under the FSS (Licensing and Registration of Food Business) Regulation, 2011.

In order to further streamline the process of licensing/ registration and its renewal the FSSAI has issued an order regarding ease of doing business: instant renewal of License/Registration.

This is for your information.
