

Dear Member,

To provide greater market access and increase visibility of Indian Oilseeds, Oils to its members, IOPEPC is organizing Virtual Buyer-Seller Meet (VBSM) with Thailand on 20<sup>th</sup> February, 2023 on digital platform with support of Ministry of Commerce & Industry, Govt. of India and Embassy of India, Thailand. This would give opportunity for the buyers to know that India is supplier of quality oilseeds, oils and other agricultural commodities (rice and spices) in the world markets.

In order to help our member exporters to promote their business, the Council has decided to provide booths during the VBSM where they can virtually meet international buyers on one-to-one basis.

Since our Embassy has sent out invitations to a large number of potential buyers, we are expecting very good response from international buyers. We urge all our members to avail this excellent opportunity for interacting with potential buyers and book booth on or before **10<sup>th</sup> February, 2023**. The charges per booth would be **Rs 25,000**.
