

Dear Members,

It is to inform you that India and New Zealand has earlier entered into a trade agreement in 1986 with an aim to discuss the contours of a broader India-New Zealand economic dialogue to sort out the issues pertaining to trade between the two countries. The institutional machinery for the purpose created was the Joint Trade Committee (JTC). JTC had its last meeting in 2007. Now it has been decided to hold a JTC with the New Zealand side on various issues pertaining to trade. The meeting of JTC is likely to be held shortly.

We request members to kindly send in your inputs and trade issues related to New Zealand at the following email id sakshi@iopepc.org latest by 23rd May, 2022.

Regards,

Ramesh Kolath
